

PORTOFOLIO LANDSCAPING

Profile Summary

Name: Nur Shokeb

Phone: 0821-3355-1167

Email: nurshokebb@gmail.com

I have over 1 year of experience in commercial landscaping, focusing on design, implementation, and maintenance of green areas for business and public spaces. I am committed to creating aesthetic, functional, and sustainable landscapes.

Skills

- Landscape planning (garden & green area layout)
- Plant selection based on climate and client needs
- Hardscape construction: stone, paving, pots, etc.
- Irrigation system installation
- Routine garden maintenance (pruning, fertilizing, etc.)

Work Experience

Landscaping Staff - RSUD dr. R. Soedarsono (2024-2025)

- Involved in the construction and landscaping of hospital gardens
- Installation of ornamental plants and irrigation systems
- Routine maintenance and landscape redesign to enhance comfort for patients and staff

Work Style & Commitment

- Disciplined and meticulous in plant maintenance
- Comfortable working outdoors and in project teams
- Maintains long-term garden aesthetics and functionality
- Open to training and development in horticulture
